The screenshot displays the National car rental booking interface. At the top, the National logo is shown with the word "Example" in italics. Below the logo, there are two identical booking cards for a "Standard SUV" (Ford Edge or similar, Automatic). Each card includes a "Modify" link, a car image, and details for the location (Fort Lauderdale-Hollywood Intl. Airport (FLL)), pickup time (Fri, Jan 13 at 12:00 PM, Counter), and return time (Mon, Jan 16 at 6:30 PM). The "ADD ONS" section for both is "None". The "Estimated Total" for the top card is "\$ 593.84 USD", which is circled in red with an arrow pointing to it. Below this card, the text "Price without 3STEP discount program" is displayed in red. The bottom card shows an "Estimated Total" of "\$ 379.85 USD", also circled in red with an arrow pointing to it. Below this card, the text "Price with 3STEP discount program" is displayed in red.
