Event Registration

Team Registration

All tournament registration opens on AES no later than July 1st for the following season and will remain open until 14 days prior to the start of the tournament, or until the event is full.

Divisions & Age Groups

Each event will publish the divisions and levels on AES, on the tournament website, and in the tournament manual. Each event will offer its own unique set of age divisions and levels. Please make note of the discrepancies regarding the Power League and Regional Divisions.

**In an effort to help clubs with coaches coaching multiple teams, the following FLPS events (Winter Warmup FL Frenzy, Cloverleaf, Spring Bash, Clash of Champions) will have all Power and Power League divisions play in the AM wave on both Saturday and Sunday. In addition, all regional divisions will play in the PM on both Saturday and Sunday for these events. **

The Winter Warmup event will serve as the initial ranking event for the 2025 ROC FL Power League.

Payment

Entry fees can be paid online via AES or by sending one check per club made out to 3Step Sports, LLC. Send to the following address:

3Step Sports
PO Box 458
Drexel Hill, PA 19026

Acceptances & Requirements

Teams must fulfill three requirements to participate in a FL Power Series event:

- Register the team(s) in AES.

- Pay the entry fee in full by the deadline found when registering on AES.

In order to be accepted into a tournament, registration and payment must be received. Teams can request specific divisions and will be accepted as first registered and paid.

If the division is maxed out, we will review periodically to adjust the division size. In the meantime, teams can be placed on the waitlist for that division or choose a different division.

Team Withdrawals

Withdrawal requests can be emailed to Jack Schott at jack.schott@threestep.com with the event name, team name(s) you wish to withdraw, and reasoning for removing the team.

Refund Policy

Teams that withdraw from an event in the timeframe outlined below have the option to receive a refund via check or keep their entry fee(s) refund on file as credit. Credit can be applied to an entry fee at any 3Step event. See more details in the credit policy below.

- Teams must withdraw 7 weeks before the event for a full refund.
- Teams that withdraw after 7 weeks, but prior to 4 weeks of the event will receive a 50% refund.
- Teams that withdraw within 4 weeks of the event will not be eligible for a refund.

**See event manuals for specific dates. **

If a club opts to receive a refund via check it will be issued after the event has taken place, but no later than the end of the season.

Credit Policy

Teams that withdraw have the option to save their team registration fee as a credit. Credits can be used across any Top Court Event Series and will be automatically applied to the next season's registrations, should a club have any credit after the current season ends.

IF CREDITS ARE NOT USED IN FULL BY THE DEADLINE, THEY WILL NO LONGER BE ELIGIBLE FOR USE AS A CREDIT OR REFUND.

For questions about a credit or refund, or to withdraw a team, reach out to Nick at nick.stthomas@threestep.com.

Tournament Procedures

Tournament Play Information

Tournament/Play Information: All matches will be either:

- Best of three (3) sets to 25 with a deciding set to 15 (no cap), OR
- Three (3) sets to 25 (no cap)

Please pay attention to pool description on [AES \(Schedule here\)](#) for clarification within each pool/division. Formats are subject to change at any time due to team drops.

Please be vigilant in checking your schedules as the tournament gets closer AND during the event days.

The schedule will be live on Tuesday April 22, 2025 by 8:00 PM CST. Please also pay special attention to your pool/bracket to ensure an officiating assignment is not missed.

Tie-Breaking Procedure

No tie-breaker matches or sets will be played.

If a tie breaking coin flip needs to occur, there will be a time limit of fifteen (15) minutes for the coaches (or a rostered representative of the club) to report to the Tournament Desk for tie-breaking procedures. Once the fifteen (15) minute window has passed, any team without a representative will lose the coin flip and be seeded accordingly.

Two-Way Tie:

Two-way ties are broken based on pool play head-to-head match results.

Three-Way Tie:

If three teams are tied in match record after pool play, ties to determine finishes within the pool will be broken as follows:

1. Set Percentage (%)

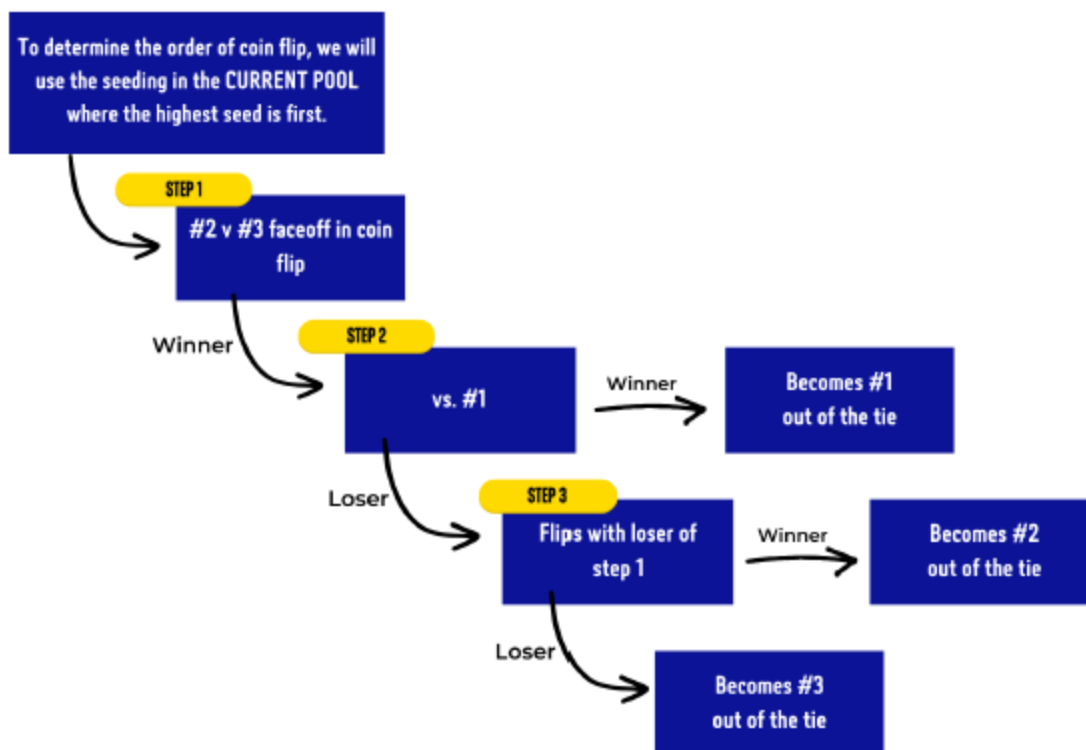

- a. Teams are placed in final finish order by highest to lowest set percentage. The team with the highest set percentage will be ranked 1st out of the tie, 2nd highest set percentage will be ranked 2nd out of the tie, and the final team will take the last place in the tie. If two or more teams are still tied after the set

percentage order is determined, we will continue through the three-way tie rules and move onto Point Percentage.

2. Point Percentage (%)

a. Teams that are still tied after set percentage, are placed in order of highest to lowest point percentage over the entire pool to determine final finish. If these same teams are still tied after set percentage and point percentage, then the tie will be broken with a coin flip sequence. To determine the order of coin flip, we will use the seeding in the CURRENT POOL where the highest seed is first. Please see the flow of the coin flip sequence:

If these same teams are still tied after set percentage and point percentage, then the tie will be broken with a coin flip sequence. To determine the order of coin flip, we will use the seeding in the CURRENT POOL where the highest seed is first. If one or more of the tied teams are missing from the coin flip procedure, the missing team will be considered a forfeit and the team that is represented on-site will take the higher seed. If NO TEAMS ARE PRESENT for the coin flip procedures, we will use the CURRENT POOL seeding to determine pool finish.

Officials

A first official (R1) will be provided for each match.

****NOTE** - On Championship Day: Gold Bracket finals in the 15 – 18 Power division only will also provide a paid second official (R2).

Work Team Guidelines

Team must provide a competent work team with the following roles:

- Two (2) line judges
- One (1) down ref (R2)
- One (1) official scorekeeper
- One (1) flip score and libero tracker

No additional athletes from the working team are permitted to sit at the score table without assigned positions. No cell phones are allowed at the score tables - no exceptions.

Each person who will function during the season as a second referee, scorer, assistant scorer, or line judge must have completed the online training for each function that they will be performing during the season. It is also required that one of the team members must be a rostered adult performing one of the functions at the score table.

- For 11U to 14U divisions: a rostered adult must be the R2.
- For 15U to 18U divisions, athletes may be the R2.

****IMPORTANT NOTE****

Work teams that have just finished playing and are scheduled to work the next match on their court should check in with the referee before leaving the court to get water, food, etc. so the referee knows they will be ready to go on time!

Late to Match OR Work Assignment Penalties

Playing team late to their match:

Any playing team late to their match will be penalized one point per minute they are late, after the match start time (*per the flow of the court that day*) NOT the 'scheduled match time'.

The maximum number of points that will be penalized is 15.

After 15 minutes (15 points), the late team forfeits the first match.

Another 3 minutes will be given for the missing team to show up for the now second match. **If they do not arrive within the allotted 3 minutes, the second set is forfeited, and the match is over.**

Work team late to their match:

Any scheduled work team that is late to their assignment will be docked one point per minute they are late, after the match start time (*per the flow of the court that day*). The penalized points will be applied to the first set of their next scheduled game in the tournament.

****Important Note****

'Match start time' is NOT the same as 'scheduled start time.'

'Scheduled start times' indicate when a match SHOULD start, per the schedule released by the tournament. The 'scheduled start time' does not take into account any factors throughout the day that may cause courts to run ahead, or behind. (ex: 9:00 AM, 10:00 AM, 11:00 AM, etc.)

'Match start times' indicate when the match WILL start, per the flow of the court that day. The 'match start time' takes into account any factors throughout the day that may cause courts to run ahead or behind. (ex: 9:15 AM, 10:30 AM, 11:45 AM, etc.)

Abandoned Work Assignment Penalties

If a work team abandons their responsibility for a scheduled work assignment entirely, the club will be fined **\$250 for each team that abandons their assignment**, as well as a **Club Director fine of \$500**.

Teams **are permitted to find a replacement work team** to cover their assignment. If a replacement work team has been found, the coach from the scheduled work team and the coach from the replacement work team, must let the tournament director know IN PERSON and get Tournament Director approval before the originally scheduled team is released from their assignment.

Teams that are playing OR working after challenge or crossover matches

Coaches and teams must be aware that their next assignment will populate in the AES schedule shortly after the deciding match concludes. Teams will have 5 minutes to report to their next court after the assignment has been posted.

Coaches must continue to check for their next assignment and should direct their team not to leave the court area while waiting for results.

Protesting Policies and Procedure

The rostered head coach along with the designated court captain are the only two individuals that may protest. If anyone other than the rostered head coach and/or the designated court captain protests, there will be a penalty, the protest will be dismissed, and play will resume.

Protests may ONLY be made for rule violations, not judgment calls (i.e., a ball handling error).

Reminder that uniforms are not protest-able and will be immediately dismissed

Refusal to play, at any time, will result in the head coach receiving a yellow card, a red card, then a forfeit.

Below is the step-by-step process to protesting that ALL PROTESTS MUST FOLLOW.

If any part of this process is missed or not followed, the protest will be dismissed, and play will restart.

- 1) Coach calls the court captain to their bench to tell their court captain what they want to protest and sends the court captain to the head referee stand.
- 2) If the protest request is legitimate, the head referee will send players who are on the court to their benches, dismount the referee stand, and call the Chief Referee to the court.
- 3) The Chief Referee of the event, along with the Event Protest Committee, will go to the court to consult with the court referee, and the head coach and court captain of the protesting team ONLY and will determine the outcome.

All protests will be handled by the Protest Committee and their decision is binding. A Protest Committee will consist of any two of the following:

- Tournament Director, Assistant Tournament Director, Site Director, Head Official, Highest rated available official or a non-involved Club Director

If a team refuses to play after being summoned to do so, it is declared in default and forfeits the match with the result 0-3 for the match and 0-25 for each set.

A FORFEIT OF SETS OR MATCHES CAN OCCUR FOR REASONS SUCH AS:

Team declared in default for:

- Refusal to play
- Not appearing on playing court on time.
- Team declared INCOMPLETE for the set or match.
- Team does not have six players to begin a match.

Step-in for serving:

10-11 Club Division Only

As we expand our sport to include younger age groups, we must make appropriate accommodations for their physical limitations. We are now routinely including divisions for 11-year-olds and seeing kids as young as 8 playing on those courts and for some events, we even have separate 10s divisions.

To accommodate the youngest, we need to have some sort of rule to cater to their serving limitations, and we need to have some degree of consistency to our enforcement. At some events, we may have actual step-in lines drawn on the courts. However, it can be complicated to ensure availability of those lines in all cases.

So, if you are working matches in a 10s-11s age group (not 11s playing up into 12s) without formal lines on the court, please apply the following:

1. Since we have no reasonable way to verify birthdates in the middle of a match, we will trust the integrity of each coach to define which players need the leniency of this rule. In general, we expect actual 11-year-olds to serve completely behind the end line, and coaches should direct them accordingly.
2. If there is no line to indicate limit, younger servers using the "Step-In Exception" may move approximately two meters into the playing court prior to striking the ball.
3. Since the kids may lack a clear understanding of this rule and may have some fundamental coordination problems in applying its specifics, we will be reasonably lenient for first time offenders. Please encourage the coach to correct the problem.
4. Repeat violations should be handled as a normal foot fault.
5. Any server who scores three consecutive points, while serving in a single rotation, sacrifices the privilege to step in for the remainder of that rotation. Upon rotating back into the serving position, server may again serve three points using step-in.

Warm-Up Protocols

For the first match of the day, the warm-up protocol will be 5-4-4 (minutes).

For all other matches in the day, the warm-up protocol will be 2-4-4 (minutes).

Libero Rules

Up to two Liberos may be designated on the line-up sheet at the start of the match. If zero or one Libero is designated on the line-up sheet, the coach may select a different Libero for subsequent sets but may not have two Liberos. If two Liberos are designated on the line-up sheet for Set 1, those are the only two Liberos who may play for that team for the match.

TEAMS WITH ONE LIBERO- If this Libero becomes unable to play: The coach or captain may re-designate, as Libero, any other player (replacement player excepted) not on the court at the moment of the re-designation.

TEAMS WITH TWO LIBEROS - Where a team has registered on the score sheet two Liberos, but one becomes unable to play the team has the right to play with only one Libero. No re-designation will be allowed, however, unless the remaining Libero is unable to continue playing for the match.

Awards

Awards will be given to the following:

Power Pools – Winners & Runners Up

Silver Bracket/Pools – First Place only

Consolation or Flight (if necessary) – No awards

Teams will be provided an award slip after the conclusion of the final match in their given bracket/pool by their officials to then take to the awards area outlined on the slip. If you think your teams should receive an award slip after a match, please double check with the official and then the tournament desk.

Athletic Trainers/EMS

Athletics trainers and EMS will be present onsite. Athletic trainers will be available for preventative taping, injury response and treatment, and post-play treatment (ice/wrapping).

It is encouraged that athletes bring their own athletic tape.
